The Australian healthcare industry faces ever-increasing challenges. With regulatory amendments constantly changing the landscape of the healthcare industry, healthcare providers need strategic partners with a comprehensive understanding of industry specific risks. Obtaining good advice is not only prudent; it is also fast becoming a competitive advantage.

Gow-Gates have specialised in advising the Australian medical and healthcare industry on insurance specific issues since 1965. We understand the risks, exposures and financial needs. We provide our clients with high-quality practical solutions and our specialist knowledge extends across our entire business. We have specialists in our Healthcare, Claims and Workers Compensation teams.

Our commitment is to provide:

- The correct insurance policies with customised wordings specific to the industry that ensure complete and extensive protection;
- A value for money solution that provides peace of mind now and in the future;
- An open line of communication that means you are always fully informed.

We are here to provide assistance whether you have a particular issue with your medical malpractice insurance, workers' compensation costs or you are experiencing difficulty with an aspect of your public liability programme. We have the experience and the expertise to help.

Our insurance program is designed to specifically protect the healthcare industry specialising in:

- Private Hospitals
- Day Surgery / Day Hospitals
- Group medical practices
- Long term care facilities
- Short term care facilities
- Medical suppliers / manufacturers
- Doctors
- Dentists
